The petitioner submits that pipes have been laid through his property for availing of water connection to the 4th respondent's premises without his consent. On this basis, the petitioner has filed this writ petition praying for directing respondents 1 and 2 not to grant water connection to the 4th respondent without production of his written consent.

2. Standing counsel for the Kerala Water Authority appears on notice and submits that there is no proposal for giving any water connection and that even the pipe, which is stated to have been laid through the petitioner's property, was without any authority from the Kerala Water Authority.

3. In view of this, there is no necessity of passing an order restraining the respondents 1 and 2 from giving water connection since at present, there is no proposal for the same.

Writ petition is closed.

ANTONY DOMINIC, JUDGE
